

Testing

Tests will be conducted starting in December 2020. The exam will last 120 minute and consist of a multiple choice test.

During the test you will be required to obey the following rules:

- Have an empty room with no disturbances.
- Close all other applications except for the single browser window the test runs in.
- Remove all electronic devices and notes from your desk and person. No phones, no smartwatches of any kind are allowed.
- Unless medically required no food is allowed during the test and only clear liquids in clear, unlabeled containers are allowed.
- During the test you will not be allowed to talk.
- You will be required to turn on your camera the entire time during the test. You will also be required to show that your environment suits the criteria described above.
- You will be required to turn on your screen sharing during the entire test.
